

Metro Council Report

Notice of Compliance with BL2008-248

Regarding actions taken to reduce paper consumption and postage expense
August 29, 2016

Actions taken by the **Metro Sports Authority** to reduce paper consumption and postage expenses include:

- Online Civic Event Application for use of Nissan Stadium parking lots on our website.
- Electronic distribution of meeting notices, agendas, and Board materials.
- Meeting schedules and minutes are available online.
- Files are maintained electronically through document imaging instead of printed document files.
- Faxing has been replaced with scanned documents.
- Decreasing the number of photocopied documents presented to the Board when possible.
- Elimination of unnecessary copies made in the office.
- Encourage email communication rather than communication through the Postal Service.
